- Polish- C1
- German - B1

ABOUT ME

Enthusiastic and goal-oriented Junior Front-End Developer with a strong foundation in JavaScript, TypeScript, and React.js. Experienced in building user-friendly, responsive web applications and collaborating within international teams. Eager to apply my skills in a dynamic environment, contribute to innovative projects, and grow as a software engineer

WORK EXPERIENCE

Frontend coach

Golteens | remote   2022 – present

- Teaching HTML5, CSS3, JavaScript, Node.js, React, and Git to teenagers through practical coding exercises and project-based learning;
- developing comprehensive course materials and storing them in an organized GitHub repository for easy access;
- guiding students in creating projects such as sticker apps, to-do lists, and search tools using APIs.

Freelance

Self-employed | remote   2022 - present

- Developing React-based landing pages and small JavaScript projects, such as interactive games and business websites;
- collaborating with clients to create user-friendly interfaces, ensuring compatibility across various devices and browsers;
- collaborated on a team project as part of a diploma work to develop a program for automating thesis quality checks;
- debugging and testing applications to ensure functionality and performance.

English tutor

Entrepreneur | remote   2016 - 2024

- Conducting lessons tailored to individual needs, focusing on grammar, vocabulary, and practical language skills (A1 to B2 levels);
- supporting students in achieving their educational and professional language goals.
